PLANNED AROUND YOUR EVENT

We work backwards from your critical event dates—coordinating cargo readiness, transport, customs formalities, venue access and final delivery.

ONE POINT OF COORDINATION

A dedicated project contact keeps customers, suppliers, carriers and venue teams connected throughout the operation.

FROM ARRIVAL TO RETURN

Our planning continues beyond the event, covering breakdown collection, repacking, storage, onward transport and re-export.

Experience behind every move

Evol. Live builds on more than two decades of our Group's event-logistics experience, including logistics operations connected to the Athens 2004 Olympic Games.

OUR EXPERIENCE INCLUDES:

Exhibitions,
conferences and
roadshows

Olympic venues,
international teams
and event suppliers

Sports
equipment and
vehicles

International
broadcasters and
production companies

Art, cultural, film
and broadcast
productions

Music concerts
and theatrical
productions

Corporate events
and brand
activations

Experience **built**
under pressure

Solutions **designed**
for today

Historical credentials relate to documented projects.
Services for new events are confirmed according to their
specific cargo, destination, customs and venue requirements.

Different events.
One logistics mindset.

WE WORK WITH:

ORGANISERS ■ EXHIBITORS ■ INTERNATIONAL BRANDS ■ STAND BUILDERS
PRODUCTION COMPANIES ■ SPORTS ORGANISATIONS ■ BROADCASTERS ■ CULTURAL INSTITUTIONS
