fixtures, project materials and fragile or
time-sensitive items.

Supplier to hotel room

01 Supplier readiness

02 Collection

03 Consolidation

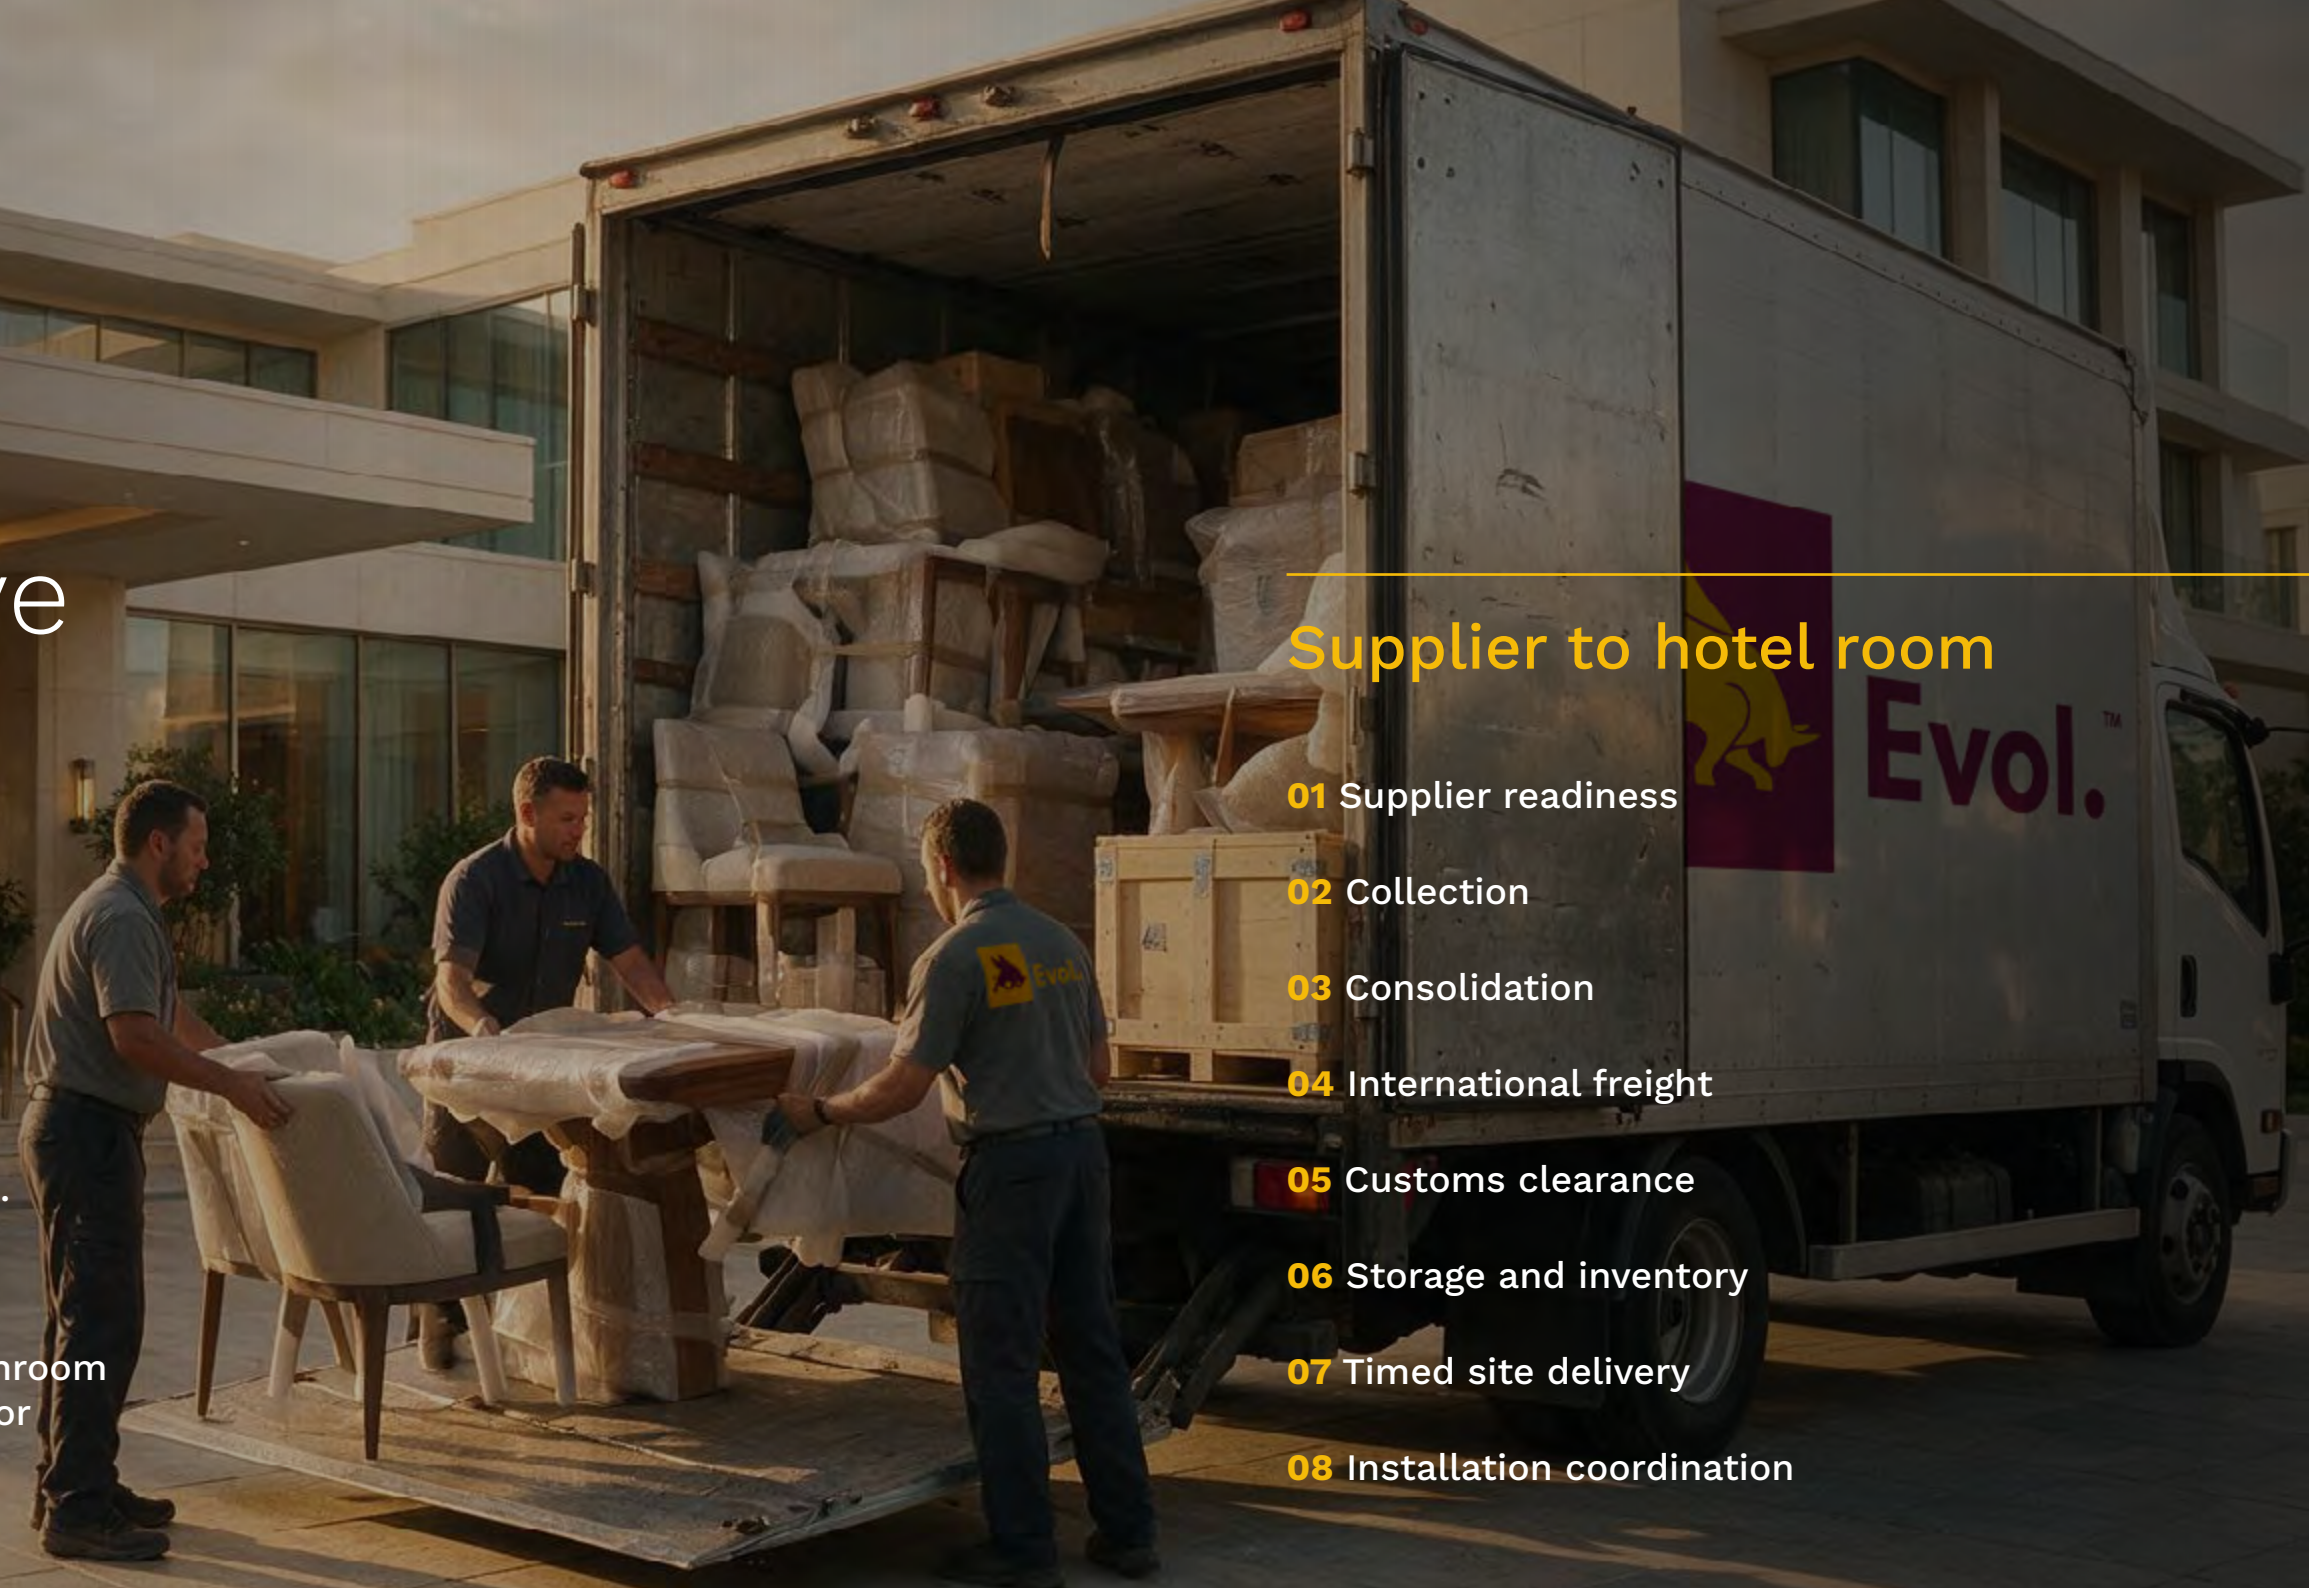

04 International freight

05 Customs clearance

06 Storage and inventory

07 Timed site delivery

08 Installation coordination

Built around every stakeholder

Hospitality logistics only works when every party moves in the same direction.

**Hotel owners
& developers**

**Hotel
operators**

**Procurement
companies**

**Architects
& designers**

**Consultants
& contractors**

**FF&E and
OS&E suppliers**

Evol creates one coordination layer between commercial, operational and project teams - keeping deliveries aligned with the real site programme.

Dubai gateway. Global reach.

Strategically based in Dubai, Evol connects hospitality suppliers and project sites across Europe, Asia, Africa, the Middle East and Indian Ocean destinations.

**Middle East
project
execution**

**Europe
supplier
consolidation**

**Asia
manufacturing
origins**

**Africa &
Indian Ocean
destinations**
